ABOUT US

BRIEM Spedition-GmbH is a small and medium-sized, family-owned company in the third generation.

As your logistic service-provider, we are specialized in terms of storage and distribution of chemical products.

The best possible configuration of your processes and transports, is our priority.

Through continuous innovation and invention, we can offer a multifaceted portfolio of services. Through this sustained commitment, we have grown to become one of the most established companies in Baden-Württemberg.

Based on our location in Filderstadt and the resulting traffic connections, just like the A8, the B27 and the airport of Stuttgart, your destinations can be reached in a very short time.
